Per your agreement on March 13, 2015 with Hyacinth Perrault of my Office, GSA is making its 2nd and final release to you on this voluminous amount of material that required searches in multiple GSA locations. Please be advised that it is also at GSA's Management's discretion to waive the FOIA Fees this one time due to the length of time it has taken GSA to locate these records to fulfill your request.

Enclosed please find the documents responsive to your request. The documents include eighty-five letters sent and received by GSA from the Governors & Senators as cited in the above table. In processing your request, GSA withheld some signatures, cell phone numbers and other personal information, including communications regarding personal constituent services, in accordance with the sixth statutory exemption to the FOIA 5 U.S.C. §552(b)(6), as release of this information would be a clearly unwarranted invasion of personal privacy.
